

POSTER PRESENTATION GUIDELINES

- ✓ All the posters are accepted only as **printed Physical posters**.
- ✓ Dimensions: **3 feet x 4 feet (36inch x 48inch); Portrait**

- ✓ Structure: The poster should include:
 - Title with authors and affiliation. Bold and underline the presenting author.
 - Introduction
 - Materials and methods
 - Results
 - Conclusion
 - References
 - Acknowledgements, Funding and conflict of interest (if any).
- ✓ During poster presentation, you will be required to present **a summary and salient features** of your research and is followed by questions from judges.
- ✓ Appropriate charts and diagrammatic representation can be used wherever required.

Note:

- ★ Presenters are requested to arrive 15 minutes before their presentation in the poster display area to arrange their posters.
- ★ Boards and pins to fix their posters will be provided at the venue.
